

ARISE SHINE

Prayers of the Apostles

These 'apostolic prayers' will, as we meditate upon them, help us as we continue to think about our personal response to Christ and what it means to be both a gathered and a scattered community. We will also see the 'ARISE' foundational principles (Ambition for the Kingdom, Restored Identity, Inside out living, Servants of all and Empowered by the Spirit) we are seeking to introduce as a church and live by day by day embodied within each of the prayers.
